“A restatement of policy...

From your Hometown Intermountain Ford Dealer:

- 1.** We will sell every Ford car and truck with the best possible deal for the customer, including price, equipment, financing and trade-in.
- 2.** We will advertise only that which we can actually promise and do, and not advertise that which we cannot do.
- 3.** We will not play games with interest rates, wherein you are charged more for a car or truck to get an unusually low interest rate. Similarly, we will offer our prices right out front, with no mysterious add-ons.
- 4.** We will treat our customers with courtesy, respect and honesty, the way intelligent, paying customers deserve to be treated.
- 5.** We will follow these policies with every buyer, including new and used car buyers, and customers of our parts and service departments.”
